

DEDON

PLAY

PLAY all plastic

Armchair

Design by Philippe Starck | Weight 5,7 kg/13 lbs | Volume 0,24 m³/8 cu ft

Measurements

Collection: Philippe Starck and DEDON made design history with the launch of PLAY, a new concept in furniture that puts unprecedented freedom of choice in the hands of consumers. And while the original, iconic PLAY chair is now available in 55 fabulous variations, the PLAY concept itself has inspired an array of innovative, Starck-designed tables and more.

Armchair: This stackable armchair features an injection-moulded polypropylene frame with a die-cast plastic seat and an optional die-cast plastic backrest. It combines high design with everyday practicality.

Frame: Polypropylene frame and die-cast plastic seat and backrest

Characteristics: Innovative, iconic, democratic, versatile, practical, durable

Frame Maintenance: Clean with a soft cloth and warm water.
